'bt' newsletter

NUMBER 1

SEPTEMBER 1974

THE 'BT' NEWSLETTER

As you will be aware the Bush Telegraph has not been published for several months. Initially this was due to the energy crisis, but latterly to the paucity of material from contributors. The club members general lack of enthusiasm has in fact caused the joint editors to tender their resignations.

The Executive Council have decided that a newsletter will be published from time to time (this being the first) so that members can be made aware of any club activities taking place. Any person wishing to put a short item into the 'BT' Newsletter should contact Denis Groombridge (ext. 212) or any member of the Executive Council.

It is hoped that this will only be a temporary situation and we ask anybody interested in editing or assisting in the running of the Bush Telegraph magazine to please come forward.

EXTRA-ORDINARY GENERAL MEETING

At the Executive Council Meeting on 13th August it was decided to call an Extra-ordinary General Meeting, this will be held on Tuesday 17th September at 17.45 hours in the Main Hall. The main item on the Agenda will be a proposal to change the Financial year of the Club so as to end on 31st March of each year, instead of 31st December as a present. This should be more convenient for sections which operate a winter or summer season and will be a considerable help to the Treasurer when producing the Club accounts.

A by-election is also to held to fill a vacancy on the Executive Council.
