

Dear all

As many of you have already realised, we must postpone our gathering of 15 May. The reunion is **off**.

In doing this, consideration has been given:

- To official advice;
- To the fact that so many of us are over 70 and hence classed as vulnerable;
- To preventing people trying to organise and make long journeys.

When some order is restored we will look for another date, possibly in the autumn, but maybe not until 2021. In the meantime please:

- Advise anyone who you think may not see this message;
- Stay of good cheer and free from any serious viral impact;
- Keep in touch.

Best wishes to you all.

Mike
