

Dear all

In amongst the pleasure of hearing from so many of you in response to my earlier message, comes the sad news that Graham Wills has passed away.

The message from Graham's family is below.

Graham was a long-time member of the Radiation Department. Picture 6 on the Wood Lane website shows him with his colleagues. <http://woodlanebicc.co.uk/pictures6.htm>

We will of course remember him when we meet at The Bull.

Kind regards

Mike

18th April 2018

Dear Family & Friends,

We are sad to announce that our father, Graham Wills, passed away in March at the grand old age of 93. He had been growing progressively weaker these past few months and succumbed to a viral illness.

There will be a woodland scattering of his ashes for his immediate family members, near Stroud, on 24th April, his birthday.

Yours sincerely,

Peter, Paula & Robert Wills
